

BUY RUPUNUNI INITIATIVE

Rupununi is known for producing the best farine but there is much more that is produced in the region. Local artisans, women's and processing groups have harnessed their skills and innovation to create products which are distinctly Rupununi.

The 'Buy Rupununi' Initiative is a collaboration between Visit Rupununi and the Guyana Marketing Corporation to provide accessibility to and provide awareness of items which are produced in the region. Visit Our Booth to purchase your authentic Rupununi products.
